BASEBALL

(bas-bol) n, game played with a bat and ball by teams of nine players. The game is played on a field with four bases on the corners of a square called a diamond.

Baseball, it is the All-American sport. People have been playing it for years. Colonial's baseball team is just as experienced. Day after day they put in hours of practice to prepare for the season.

We asked Coach Marvel his opinion of the team and he replied, "If the pitching comes through we should have a pretty strong ball club".

Last year Scott Edge was the only player to make all Metro in two positions, short stop and pitcher. Other returning players are Fred White, Tim Foskett, Joey Santoro, Kurt Demmer, Tim Logan, Mike Price, Rick Fountain, and David Atkins.

The players this year that were on J.V. last year are Mike Small, Mike Lonas, Jim Finnigan, Lester Hudson, Lee Petty, John Brown, and Kevin Reyer, who was raised to the Varsity team at the end of the season last year.

The team looks bright on the field and are successful, too. Good Luck in the future, guys!

BASKET BALL

(bas-ket-bol)n. An indoor court game in which each of two teams tries to toss an inflated ball through a raised goal.

Under the direction of coach Kinney our boys varsity basketball team has again proved superior. The team has a lot of enthusiasm and are very dedicated.

They are the hardest working and hustlingest team in the Metro.

Coach said, "The team has shown alot of character and alot of poise. We've had a streak where we've lost 4 or 5 games in a row but they never quit."

This year Clyde Richardson is in the lead for Metro Conference Scoring, averaging 23 points a game and set the school record.

Joe Losch was also a great attribute to the team with a slow start and finishing about 18 points a game.

Dell Moody has helped us out of many tight squeezes with his skyscraping ability to jump.

Joey Santoro has made our team successful with assist, shattering the school record of 117. He also contributed a scoring average of 10 points a game.

The team ended the season with a 50 per cent win.

The players give a 100% on the court and the student body were just as involved.

JV BASKETBALL

After a good start (5-2), the J.V. met with a string of defeats as they entered the Metro Conference.

The team started playing better each week, and started winning as Smith, Sanchez, Williams, Way, and Adams improved their play. Coach Jucker said, "We had the potential to be a really good team, but mistakes at key moments hurt us. As a result, we lost a lot of games."

CROSS COUNTRY

Cross Country (krȯs' kun' trē) adj — l. going across the country side without regard to roads or trails or to obstacles: a cross-country race.

Cross Country, a sport of endurance which requires lengthy practice and much dedication, has done well at Colonial this year. Only because of the individuals' dedication, stamina, and total concentration have we performed so well this season. The players themselves must give their all to perform such difficult tasks as running the two mile course. We at Colonial are proud of our seasoned members of the cross country team and wish them much luck next year.

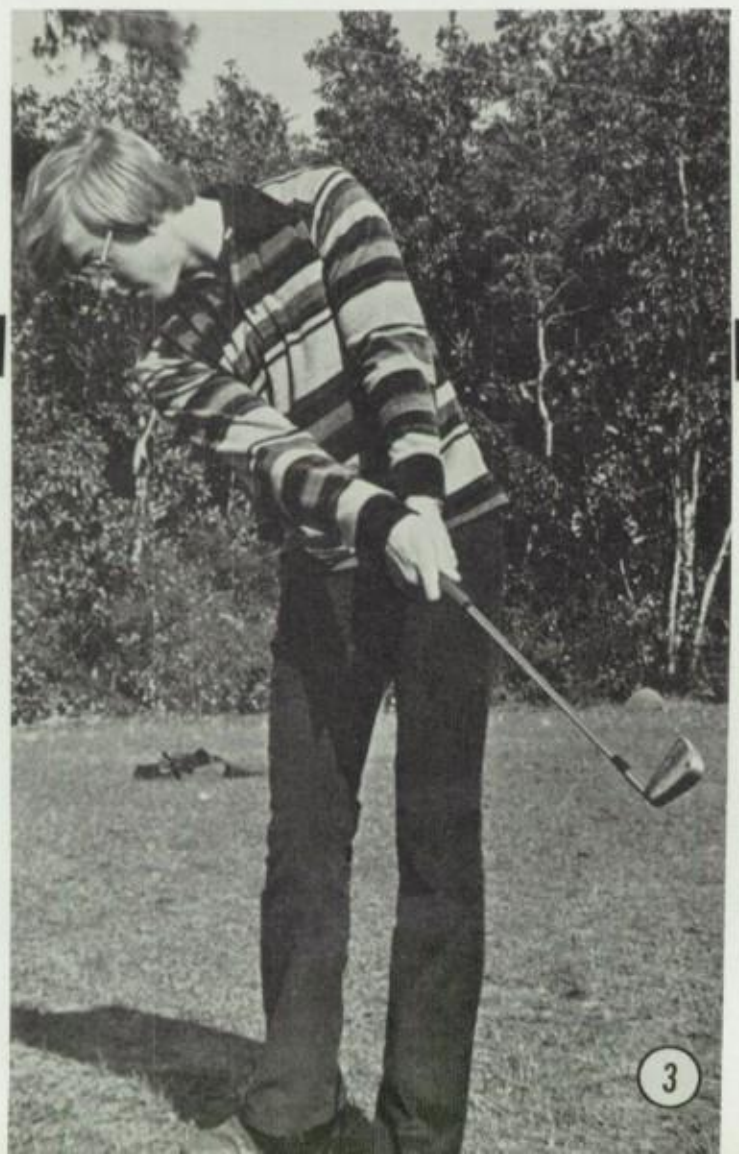
GOLF

('galf) n. a game whose object is to sink a ball into each of the 9 or 18 successive holes on a course by using as few strokes as possible and avoiding various obstacles.

"The golf team has high expectations for this year," said Coach Nelson. Last year the team was runner up for district and metro champs. The returning low scorers from last year are Toby Cauchois, Mike Keymont, Gary Keymont, and Mike Miller. Golf takes lots of practice and the team does plenty. There are twenty matches before district and coach predicts they will rank high.



1. Coach Nelson and his men talk over the scores.
2. Mike Keymont, you better yell "fore!".
3. As Coach Nelson would say, "Keep your eye on the ball Mike Miller."

. David Zamsky finds his ball, a fried egg, in the ol' sand rap.
2. Toby Cauchois takes a few practice swings.
3. Bowen Zarn addresses the ball.
4. The Team.
5. Mike Miller demonstrates the proper grip for holding the ron.
6. Gary Keymont hits the 9-iron for appraoch to the green.

Winn Moore, Gary Keymont, Bowen Zarn, Scott Campbell, Michael Mogus, Robert McWilliams, Mike Miller, Ronald Graham, Andrew Conomos, Davis Zamsky, Mike Keymont, and Toby Cauchois — not shown.

swimming

(swim-ming) to propel oneself through water by moving the arms and legs as a man does, or by moving fins and tail as fish do.

The weather this winter hasn't been very permitting for swimming but under the direction of Coach Clark the swim team is on its way. Among the team, there are a few outstanding returns: seniors Mark Wilson, Ken Dixon, and Mike Lyle have a good shot at state for individual and relay competition. Denis Wilson, Carol Dixon, Tony Gowen, and Dave Russell are also great attributes. The team should also be helped by junior standouts Tami Dixon, Tim Hochuli, and "sophomore sensation" Bucky Duke. The outstanding divers this year are Denis Wilson and Teresa Gelatka. Coach feels that, "This year our team has a lot of experience, depth, and enthusiasm. These factors should result in a highly successful season." The team should have two relays, 200 medley relay and 400 free relay, go to state competition, which would be unprecedented in Colonial's history. Go Colonial!

TENNIS

(ten-es)n. a typically outdoor game that is played with rackets and a light elastic by two players or pairs of players on a level court divided by a low net.

In recent years tennis has become a booming sport. This year Colonial's tennis team is going to prove the game superior. Coach Peslie is this years tennis coach. Coach said, "I feel that my boys are hardworking, dedicated and exibit a fine team spirit, and if they can maintain this high level of cohesiveness and pride in themselves and their school, it will be a successful season that hopefully the boys will remember for years to come." Amoung the outstanding guys are Chris Meyer and Gerald Pantilano who, if they continue to progress, will be even greater achievers in their tennis careers. Let this be the year to remember!

This years tennis team is fresh from the start. The team, coached by Miss McLemore, is composed of all Juniors and Sophomores. Coach said, "This year we will be playing mostly for experience and taking it one match at a time." She feels they will have an average season with 13 scheduled matches and a hard season outside the metro. This year Bridgitte Pasqual, a sophomore, is the number one player, and junior Patty Branton is number two. The tennis season this year should be an exciting one!

TRACK and FIELD

The boys track team is under the direction of Coach Martin. This year the track team has had a deligent late fall pre-season workout. Coach Martin said, "Our goal this year and the years to come is to be competitive in the metro conference." It seems to be, with all the new people coming out this season, that they will have a more competitive team.

The girls' coach is Coach Shuttleworth. He feels that his girls are "the most competitive athletes in the school." Sunday Brown is the defending metro conference champ in the 440 yd. dash. The girls 880 yd. medly relay were conference champs and as luck would have it they're all returning. Good luck to both teams!

My Dearest Tammy,

Well I'll bet I've known you since Jr. High. We had fun in Art with all those strange stories. You know. Now we graduate and we'll probably never see each again; so good luck in all you do. See you in 10 yrs.

Love,
Terry

Your the best friend I've ever had. I have ever since I moved here in Ventura. We have had some good times, some really bad times, and some Navy times. Skipping school, Class, Cooking, Cooking Class, the Beach and Mike! We've had some good times and some bad times. I'll miss you Tammy and I wish you could still come over and stay with me. Remember the Navy Ball, Disneyland, and Knotts Berry Farm
